

Reconstruct the story

When I opened my eyes in the morning	I looked out of the window and I immediately noted the blue sky.
I listened to birds singing for a couple of minutes then I entered the kitchen.	My wife prepared pancakes, my favourite breakfast dish.
I decided to go to the office with my car.	All traffic lights turned green just the moment I wanted to stop.
I managed to park my car right in front of the office building.	My secretary scheduled a meeting for me for 10 am.
I presented my idea to the board and they loved it.	The same morning, I received at least ten emails with great news.
Four new clients placed an order and two other clients confirmed their contract also for next year.	At 5pm I accepted and signed a proposal from an important business partner.
At 6pm, just before I considered going home, my boss called me.	He promoted me to regional director.
I arrived home at 7pm, tired but more than satisfied of my day.	My wife just started to cook.
I suggested going out for dinner.	We booked a table in our favourite restaurant.
When we arrived, the restaurant manager informed us that we were the 10,000th guest in their business.	As a prize, they offered us the dinner for free.
We celebrated under midnight.	Yes, that day deserved to be called the best day of my life!
