

SHOPPING B

Now, in this part of the test you are going to talk together.

Here are some pictures that show **different places to shop**. Do you like **shopping in these places**? Say why or why not. I'll say that again.

Do you like **shopping in these places**? Say why or why not.

All right? Now, talk together. (1-2 minutes)

Where do you like shopping?

Do you think...

... shopping online is relaxing?

... street markets are busy?

... farmer's markets are cheap?

... flower shops are elegant?

... sweet shops are fun?

So, Candidate A, which of these **shops** do you like best?

And you, Candidate B, which of these **shops** do you like best?

Thank you.

Now, do you prefer **to shop** alone or with other people, Candidate B? (Why?)

And what about you, Candidate A? (Do you prefer **to shop** alone or with other people? (Why?))

Which is more fun, **shopping in shops** or **shopping online**, Candidate A? (Why?)

And you, Candidate B? (Which is more fun, **shopping in shops** or **shopping online**?) (Why?)

Thank you.
