

GERUNDS VS INFINITIVES AT CEFR B1 LEVEL

They are keen on gossiping.

They are never fed up with shopping online.

They could go on talking about their love life forever.

They don't mind sitting in silence.

They enjoy taking care of home design.

They give up smoking more easily.

They hate looking after pets.

They insist on working because they believe they can be as good professionally as the other gender.

They like cooking at professional levels.

They look forward to getting married.

They love fixing things.

They love going to work to get away from their families.

They need to practise driving more than the other gender.

They never stop looking at their phone(s).

They often argue about not tidying up.

They often finish working before their colleagues.

They often suggest eating out.

They often talk about going out.

They spend too much time watching TV.
